Hey! We got no letters this issue. Let's not let that happen again.

Letters to the Editor

Thank you, George!

I follow in the formidable footsteps of our previous co-editor George Lyon. For many years he lovingly helped put together this *Bulletin* with John Leeder. He solicited articles, begging and cajoling people. He wrote articles himself, and expressed his opinions freely and with conviction.

A mere thank you does not seem enough.

On behalf of all the readers of the *Bulletin* I wish George well in his free time, and hope that he will, at least occasionally, grace these pages again.
