● The figures in the NATIONAL OVERVIEW are the box-office grosses, compiled from individual theatres in the six major Canadian cities: Montreal, Toronto, Winnipeg, Calgary, Edmonton and Vancouver. When figures from cities other than these six keys are used, it is indicated by an asterisk (*). Figures are given separately for each week in the time-frame covered, and the accumulated gross is given from the date of release to the last week in the current chart. CURRENT GROSSES are given, when available, on Canadian films, and usually cover a period which is more recent than that in the National Overview. Slots marked -/- indicate the film did not play during that week.
