The figures in the NATIONAL OVERVIEW are the box-office grosses compiled from individual theatres of the four major chains in Canada (Famous Players, Canadian-Odeon, Landmark and Cineplex) in the five major English keys: Toronto,

Winnipeg, Edmonton, Calgary and Vancouver. The CURRENT GROSSES are compiled from distributors figures in Montreal. Figures are given separately for each week in the time-frame covered and the accumulated gross is given from the date

of release to the last week in the current chart. Slots marked -/- indicate the film did not play during that week.

TULIP AND

The concept of an easily transportable all purpose, foldable camera crane which can quickly be set-up on location or in studio to become a traditional type camera crane with the possibility of 15 ft. 9 in. (4.81 m) rise and fall, lens height up to 13 ft. 9 in. (4.20 m), maximum reach of 12 ft. (3.66 m) and capable of supporting two technicians of average size plus a camera (say 550 lb/249 kg), seemed to us to be a rather good one.
