WHY KILL YOURSELF

"Keeping Track" Les Productions Téléscène

WHEN YOU COULD SHOOT HERE.

We're going to make it easy for you. Shoot your film in Montréal and work with a crew that can light any scene, build any set, find the perfect prop, and not make a big production out of it. Shoot your film in Montréal for locations that look like a page out of Paris or a romp through New York. Shoot your film in Montréal because it's a wonderful place to be while you're on location. Don't kill yourself in some other city. Shoot in Montréal and live to enjoy it.
