Here's One For The Gaffer

and the Best Boy and the rest
of the lighting crew

Send for the New Cinegel
Filter Book. FREE.

Cinegel is Rosco's Academy Award
winning range of materials for light
control.

Now, it's a more exciting series than
ever. The range includes additions and
reformulations specifically developed to
meet the demands of the new film
emulsions and light sources.

Among the nearly 100
materials in the
new Cinegel

swatchbook, you'll find filters for
controlling fluorescents and the full range
of arcs, as well as tungsten lamps.
Included are 18 different diffusion
materials and eleven metallized surfaces
for reflectors. You'll also find that the
technical data you need is included right
in the swatchbook.

Be sure you have your own Rosco
Cinegel swatchbook. It's a basic tool of
the trade and it's available free from
your rental house, Authorized
Rosco Dealer, or any
Rosco office.
