

pyral

perforated magnetic film 35-16-Super 8

Sound knowledge means knowing pyral

It's knowing where to go when delivery, quality and consistency are top priority — that speciality types are as readily available as the standard run of perforated magnetic film and tape. For users of Pyral professional tape, the same sought-after standards apply, while Pyral lacquer discs are regularly used by record manufacturers throughout the world. In fact, the list of film, T V and recording studios using Pyral products reads like a "Who's Who" in the world of sound engineering. We would like to add the name of your company to that list right now. *Why not get in touch?*
